MEMORANDUM

TO: MCAMLIS Steering Committee

FROM: SEWRPC Staff

DATE: May 2, 2005

SUBJECT: STATUS OF MCAMLIS 2005-2006 TOPOGRAPHIC MAPPING PROJECT

The Agreement between the MCAMLIS Steering Committee and the SEWRPC governing this project was executed on December 22, 2004; accordingly, work on this project has been underway since January 2005. Photography acquired in 2004 for Township 8 North, Ranges 21 East and 22 East, has been processed and efforts are currently underway on the compilation of the digital terrain models for these two Townships.

All aerial photography required for the balance of Milwaukee County had been obtained by April 15, 2005, and the processing of this aerial photography is currently underway.
